EARNINGS & INCOME DISCLAIMERS

Any and all statements of earnings (or income examples) are for information purposes only and should be considered atypical results for users of any products sold by smARTist[®]. Any numbers given are simply estimates of income we think could be generated by your business and by no means should be expected to be applicable to your business.

While all specific numbers given for an individual's earnings are correct to the best of our knowledge, these should be considered atypical and by no means should be considered a guarantee that you will earn similar amounts or that these amounts represent average earnings of customers. We offer no guarantee that past performance will be an indicator of future success.

In the real world, there are no guarantees. We cannot offer any guarantee whatsoever that you will make any money at all with your business venture as every business is different, every market is different, and every business person's resources, skills and opportunities are different. While our products may enhance your earnings, we cannot guarantee you will not lose money while working to build your business with these strategies. Every business carries inherent risk of loss.

By purchasing and/or downloading products from smARTist[®], you accept the full risk of non-results and/or loss in your business in every way, shape or form. You accept the risk that you may not make any money or gain any business leverage by the use of our products and that you cannot rely on examples of earnings as a basis for your potential earnings.

By purchasing and/or downloading products from smARTist®, you accept that all online business models have the risk of significant and real monetary losses, and are not necessarily suitable for all individuals. As in any business purchase, only money that you can afford to lose should be used to purchase business training products, as there is no guarantee that you will make money or avoid serious losses.

Every product, service and offering from smARTist® should be considered for educational and informational use only, and should not be relied on to guide your business to profitability. By downloading products from smARTist®, you agree to check with your trusted financial, legal, accounting and other professional advisers before taking action on any information in our websites, newsletters, consulting or information products.

Any and all users of smARTist's®services, consulting, information products, websites and newsletters should

use their own judgment, due diligence and discretion as they come to make decisions about their business and should seek out professionals qualified to advise them on specific business decisions. Users should not rely on the information in our services, consulting, website and products alone when taking action in their business.

By downloading any information products, or accepting any information from our websites, newsletters or consulting services, you agree that smARTist® is not responsible in any way, shape or form for the success or failure of your business in regards to information you have received from us.
